

A Message from the Executive Director

Utahns deserve the opportunity to be heard, informed, and able to deal with their legal issues. We are working to make this a reality in our state. I am grateful you are here to support the work we do and seek help. I hope the information you find is useful.

If you are a person with a lower income or facing disadvantages, we are ready to give legal aid. If you are looking for ways to get involved in the community and want to create meaningful access to justice, we look forward to serving with you.

Our staff and I are committed and prepared for action. Please reach out and connect with us. With your continued support, we can create equal justice for Utahns. Thank you!
